

Stealth Softball Parents~

If you have not already done so, please start contacting businesses or personal contributors that you feel might want to assist us with a financial sponsorship or product to help alleviate team expenses. A starting point may be local businesses that you patronize that could benefit from the local/regional advertising they would receive from us. Think of small business owners that might benefit from this community involvement or family or friends that might want to help out and give a donation to help our organization get started (any amount will help and be appreciated).

Our goal is to cut the costs for our players so all players have the opportunity to play and not have to turn this experience down due to fees.

If for some reason you do not feel comfortable contacting businesses, but think they may contribute, send the business name, address, phone number, and contact person and I will contact them for us. Attached you will find the sponsor letter, sponsorship opportunities form, and sponsorship agreement form. If you are unable to print it out, let me know I can give you copies. This information can help you when talking to a potential sponsor.

Any questions please email me at [lako87@gmail.com](mailto:lako87@gmail.com)

Thank you,
